## Mission Statement:

The Yuba Community College District Police Department is committed to ensuring the safety of our students, staff, and faculty, in order to enhance the goal of providing quality higher education in a safe and secure atmosphere. However, a truly safe campus can only be achieved through cooperation of all students, employees, and visitors. The Yuba Community College District covers nearly 4,200 square miles and currently has five educational sites in five different counties. The Police Department provides professional law enforcement services at all five educational sites. These campuses include Yuba Community College, Woodland Community College, Lake County Campus, Colusa County Campus, and the Sutter County Center.

## The Jeanne Clery Act:

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or Clery Act, signed in 1990, is a federal statute requiring colleges and universities to maintain and disclose Campus Crime Statistics, disclosure of Campus Safety Policies, and Timely Warning requirements.

The Yuba Community College District Police Department (YCCDPD) has the responsibility for gathering statistics, identifying reportable crimes and reporting/publishing statistics to the Department of Education, the FBI, and to the public. Statistics are reported in different formats and categories depending upon legal requirements: FBI reports include different crimes from The Jeanne Clery Act, while The Jeanne Clery Act requires statistics to be reported from a wider geographic area than the FBI (e.g., adjacent public property), and also requires reports of student disciplinary referrals in addition to arrests for drug, alcohol, and weapon offenses.

In compliance with the Jeanne Clery Act, the YCCDPD updates this report annually. It is available on-line at : [www.yccd.edu/central-services/campus-safety/jeanne-clery-report/](http://www.yccd.edu/central-services/campus-safety/jeanne-clery-report/). Also the U.S. Department of Education has our campuses statistics available on-line at: <https://ope.ed.gov/campussafety>. A paper copy of this report can be provided upon request.

Annual crime statistics and campus safety information is compiled of the previous calendar year based upon crime reports received by the Yuba Community College District Police Department; from crime statistics received from outside agencies; and from incident reports received from other “Campus Security Authorities.”

*Reference: Education Code Sections 72330, et seq.; Government Code Sections 3300 et seq.* The Board has established a Police Department under the supervision of one Chief of Police, who shall report directly to the Chancellor or designee. The purpose of the department is to enforce the law on or near the campuses and other grounds or properties owned, operated, controlled or administered by the District or by the State acting on behalf of the District.

District police officers shall be employed as members of the classified service but shall, when duly sworn, be peace officers as defined by law. Prior to employment, they shall satisfy the training requirements set out in Penal Code Sections 830, et seq.

The Chancellor shall establish minimum qualifications of employment for the Chief of Police including, but not limited to, prior employment as a peace officer or completion of a peace officer training course approved by the Commission on Peace Officers' Standards and Training (POST).

The Chancellor shall ensure that every member of the Police Department first employed by the District before July 1, 1999 satisfies the requirements of state law regarding qualifications for continued employment.

Every member of the Police Department shall be issued a suitable identification card and badge bearing words "Yuba Community College District Police".

The Chancellor, in cooperation with the Chief of Police, shall issue, and amend as needed, such other regulations, guidelines, policies, and procedures as may be necessary for the administration of the YCCD Police Department.

*See Administrative Procedure 7600.*

### **Working Relationships With Other Agencies (MOU's)**

The YCCDPD maintains a working relationship with agencies surrounding YCCD facilities and has memorandums of understanding with the Yuba County Sheriff's Department, Yuba City Police Department, Clearlake Police Department, Marysville Police Department, Williams Police Department, Woodland Police Department, and County of Yuba Office of Emergency Services.

### **Local Law Enforcement**

*Reference: California Education Code Section 67381*

Each college or center of the District shall enter into a written agreement with local law enforcement agencies. The agreement shall clarify operational responsibilities for investigations of Part I violent crimes, defined by law as willful homicide, forcible rape, robbery, and aggravated assault, occurring at each location.

The written agreement shall designate which law enforcement agency shall have operational responsibility for violent crimes and delineate the specific geographical boundaries of each agency's operational responsibility, including maps as necessary. The written agreements required by this policy shall be public record and shall be made available for inspection by members of the public upon requests.

*See Administrative Procedure 3520*

### **Campus Security for Non-Campus Locations**

YCCDPD monitor and record criminal activity at non-campus locations and may work cooperatively with local law enforcement agencies in the campuses jurisdictions.

### **Campus Security for Satellite Locations and Occasional Instruction Sites**

YCCPD has two satellite learning centers: Colusa County Campus and the Sutter County Center. These locations have local police that patrol the surrounding vicinities. In addition to these two sites, YCCD uses non-campus locations for off-campus credit and non-credit courses. The police departments serving their respective communities police these non-campus/off-campus locations.

### **YCCD Police Education and Prevention**

YCCDPD encourages members of the community to assist in preventing crime by minimizing opportunities to become a victim by using good judgment and safety practices and by encouraging students and employees to be responsible for their own and others' security. The District Police provide education and crime prevention information to Students, Staff and Faculty during numerous events such as convocation, student orientation, and organized public forums.

**Immediate Assistance – Emergency Call Boxes Telephone**

911: Emergencies dial 911 from any district or college building. Emergency phones: Use any of the designated call boxes strategically placed on the campus for immediate connection to 911.

Marysville campus has three designated pay phone locations, Building 1800, 1200, & 400.

The YCCD buildings are monitored and patrolled by District Police, as well as Maintenance and Operations Staff. The Police Department regularly patrols campus and reports malfunctioning lights and other unsafe physical conditions to the Maintenance and Operations Staff for correction.

Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. Campus lighting typically meets or exceeds the industry standard for pedestrian walkways. Shrubbery and other vegetation are kept trimmed to avoid obstructing visibility. Parking lots throughout campus are well lit and routinely patrolled by the District Police. In addition, the parking lots on each campus are equipped with a communication system that is connected to 911. Other members of the YCCD community are helpful when they report equipment problems to YCCDPD or to Facilities Management. Possession and use of weapons are prohibited on the YCCD campuses.

**Fire Safety**

Take fire alarms seriously and evacuate quickly and calmly! Touch closed doors, and do not try to open them if they are hot. Do not use elevators—take the stairs. Move away from fire and smoke. Close doors and windows if time permits. Pull an alarm as you leave the building, if one has not already been pulled.

## Disciplinary Action

### Yuba College

Vice-President, Academic  
and Student Services Office.....(530) 741-6766

### Woodland Community College and Colusa County Campus

Vice-President, Academic  
and Student Services Office...(530) 661-4222

### Sutter County Campus

Director, Campus Operations....(530) 751-5557

### Lake County Campus

Executive Dean's Office.....(707) 995-7904

Responsibility for pursuing campus disciplinary actions involving students rests with the Vice-President of Academic and Student Services Office or Campus Dean, which reports to the President of the respective college. The office is also responsible for notifying the Yuba Community College District Police Department and Title IX Compliance Officer of any allegations of sexual assault. At the direction of the Title IX Compliance Officer, the Academic and Student Services Office or Campus Dean will conduct an investigation of the allegations in the case and interview any witnesses. The campus has jurisdiction over offenses by students that occur on College property such as classrooms, in other locations in the immediate vicinity of the campus, during official College functions, and off campus.

Pending a formal disciplinary hearing, the campus may take a variety of administrative measures against a charged student, including restriction of privileges and services, interim suspension, and exclusion from certain campus areas, such as classrooms.

To prevent further conflict between the parties, the campus may use administrative reassignment procedures to limit access to a specific hall or complex during the course of a campus or criminal investigation, or make academic accommodations as appropriate for either party. Normal student conduct procedures will be followed in resolving allegations of sexual misconduct, with the following exception: a hearing in a case concerning allegations of sexual misconduct may be closed to the public if the hearing body determines that the privacy rights of a witness, including those of the individual who reports being assaulted, may otherwise be jeopardized.

Disciplinary actions that may be imposed by the Vice-President of Academic and Student Services Office or Campus Dean may include but are not limited to: written warning, disciplinary probation, loss of privileges and exclusion from activities, exclusion from areas of the campus, restitution, College service, monetary fines, records hold, suspension, dismissal, deferral or withholding of degree, revocation of degree previously conferred, stay of sanction, or other actions.

## **Confidential Reporting Procedures**

Crimes can be reported on a confidential basis for inclusion in the Annual Security Report. If you are the victim of a crime and do not want to pursue action within the district/college system or the criminal justice system, you may still want to consider making a confidential report. The Police Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the district/college can keep an accurate record of the number of incidents involving students, employees, and visitors; determine where there is a pattern of crime with regard to a particular location, method, or assailant; and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

### **• In Person**

Contact an officer on duty at the Campus Police Department:

- ❖ 2088 N. Beale Rd, Marysville, CA 95901, Building 1600
- ❖ 2300 E. Gibson Road, Woodland, CA 95776, Building 300

### **Missing Student Alert**

If a member of the YCCD community believes that a student is missing, he or she should immediately notify the YCCDPD by calling 530-741-6771 or 530-661-5722 or 911 and the agency will investigate, generate a missing person report, enter relevant student data into an appropriate database and involve other law enforcement agencies as necessary. The missing student protocol will be activated within 24 hours of the determination the student is missing. The YCCDPD will notify the person identified by the student as the “missing person contact”. Only authorized campus officials and law enforcement officers may have access to this information. If the missing student is under 18 years of age, and is not an emancipated individual the YCCDPD will notify the student’s parent or legal guardian that the student is considered missing. In the event the student has not registered a contact person, law enforcement will be notified that the student is missing and proceed with the investigation.

## **Timely Warning Notices**

The Clery Act requires Title IV institution, without exception, to have and disclose emergency response and evacuation procedures in response to significant emergency or dangerous situation immediate threat to the health or safety of students or employees occurring on the campus. The timely warnings are to address threats to the YCCD community.

The campus crime alert is designed to give students, staff, and faculty a timely notification of crimes, to heighten safety awareness, and to seek information that will lead to the arrest and conviction of perpetrators who commit violent crimes against persons or major crimes against property. The Yuba Community College District will issue a Crime Alert Bulletin when a crime is reported to the Yuba Community College District Police Department or local police jurisdiction that represents a serious or continuing threat to the safety of the campus community.

A threat is defined as any act or potential act that places the campus community in continuing risk or peril, as a result of a crime(s) against persons or serious felony (i.e. threats with a firearm, a bomb threat with specific information, sexual assault, kidnapping, or other egregious acts).

Crime Alerts will be distributed to the campus community using various mediums of communication. The Yuba Community College District Police Department and the Public Information Officer in coordination with campus and District administrators are responsible for assessing the need for and the distribution of the Crime Alerts. Situations will be assessed on a case-by-case basis, with great weight given to the Yuba Community College District Police Department's assessment of the total situation, including the best use of resources. The type of event or situation will be reviewed by the Yuba Community College District Police Department and the Public Information Officer to determine the most effective method to distribute the crime alert information.

When there is a possible public safety related "threat" to faculty, staff, and students on campus, the Yuba Community College District Police and the Public Information Officer will make reasonable efforts to notify the faculty, staff and students via one or more of the following methods:

- Crime Alert Bulletins (timely warnings) will be sent to faculty, staff, and students via e-mail.
- Crime Alert Bulletins will be posted on the Yuba Community College District Police Department Web site.
- To notify students, faculty will be asked to make announcements in their classes. Crime Alert Bulletins may be put at the entrances to major student-gathering places(i.e., Library, Learning Resource Center, Student Services, Cafeteria etc.), and/or on buildings that are directly impacted by the event.

- YCCDPD Officers will determine whether the notice of threat will be made on campus only or disseminated to off campus sources.
- The YCCDPD will notify the media, as appropriate, in order to inform the campus community.

Crime Alert Bulletins will be posted or distributed as soon as practical or within 48 hours of the event, depending on the severity of the event, resources, and the factual information gathered. Crime Alert Bulletins will be removed in a timely fashion after the event has subsided or the potential for danger is gone.

Crime Alert Bulletins will contain:

- A succinct statement of the incident (who, what, when, where, how, time reported etc.)
- Any bias motive
- Any connection to previous incidents
- Physical description of the suspect
- If relevant, gender of the victim and student/non student status
- Date and time the bulletin was released
- Safety tips related to the prevention of similar crimes
- Campus/site identifier and associated report number

The Chancellor of the California Community Colleges in consultation with the Governor's Office of Emergency Services and the Office of Homeland Security, shall, by January 1, 2009, develop emergency preparedness standards and guidelines to assist community college districts and campuses in the event of a natural disaster, hazardous condition, or terrorist activity on or around a community college campus.

The standards and guidelines shall be developed in accordance with the Standardized Emergency Management System and the National Incident Management System, and shall be reviewed by the Governor's Office of Emergency Services in a manner that is consistent with existing policy.

In developing the standards and guidelines, the Chancellor's Office shall consider, but is not limited to, all of the following components listed in California Education Code Section 71095.

The Yuba Community College District recognizes their responsibility of developing an action plan in cases of emergencies. Therefore, the Yuba Community College District has developed a Guide for Emergency Operations that meets the preparedness standards and guidelines, as specified, to assist the Yuba Community College District and the Yuba Community College District Police Department (YCCDPD) in the event of a natural disaster, hazardous conditions, or terrorist activity on or around the District Campuses.

The Guide for Emergency Operations Plan has been developed in accordance with existing specified systems and shall be reviewed annually by the YCCDPD Chief of Police in conjunction with the District Safety Committee for effectiveness and consistency with existing State of California Office of Emergency Services (OES) policy.

The Yuba Community College District Emergency Operations Response Task Force (District Safety Committee members) is responsible to maintain the readiness of YCCD to implement its Guide for Emergency Operations in the event of any unplanned incident. The Task Force meets on a quarterly basis and annually reviews and updates the YCCD Guide for Emergency Operations. Periodic review will also be sought from Yuba Self Insurance, ASCIP, the County of Yuba Office of Emergency Services (OES), Yuba County Sheriff's Department, the City of Woodland, Yolo County Office of Emergency Services (OES), and City of Clearlake, Lake County Office of Emergency Services (OES).

The Yuba Community College District should provide local law enforcement agencies with a copy of the Guide for Emergency Operations as a reference tool to assist the YCCDPD during emergency situations.

A copy of the Guide for Emergency Plan will be made available for employees of the District to review, if they desire.

The Guide for Emergency Operations Plan for the District is available in the following locations:

- Police Department – Yuba College & Woodland Community College

Compliance with NIMS and SEMS mandates include:

- Establishing a disaster preparedness program or plan
- Completion of training sessions by college personnel in compliance with NIMS and SEMS guidelines. Training requirements vary based on job titles or assigned roles within the emergency management program.

District and College personnel must be informed that as public employees, they are also disaster service workers during national, state, and local emergencies. The Chancellor should ensure that an ICS Team is created to carry out compliance with NIMS and SEMS mandates.

Responses to emergencies or natural disasters are organized by SEMS into five categories: field response, local government, operational areas, regions, and the state management level. The plan or program should contain information regarding activation and chain of command responsibilities.

Compliance with NIMS mandates requires planning and incorporation for all phases of emergency management including mitigation and prevention, preparedness, response, and recovery. The District must ensure that its plan is updated regularly. Colleges must comply with NIMS and SEMS to receive state or federal funding.

## **ALCOHOL AND DRUG POLICIES**

The District is committed to providing its employees and students with a drug-free workplace and campus environment. It emphasizes prevention and intervention through education. The following program has been adopted to implement this policy: The Student Code of Conduct, supported by Education Code Section 60041, prohibits the unlawful possession, use, or distribution of illicit drugs and/or alcohol by students on its property or as part of any of its activities.

Information regarding applicable legal sanctions under local, State, and Federal law for the unlawful possession or distribution of illicit drugs and/or alcohol is available to all students through the District Police Department.

Educational materials regarding the health risks associated with the use of illicit drugs and the abuse of alcohol are made available to all students through the District Counseling Services. Information regarding resources for drug or alcohol counseling and treatment are also available through the District Counseling Services.

The Chief Student Services Officer of the college/campus will keep records of all disciplinary actions and evaluate consistency of all enforcement.

The Chief Human Resources Officer will keep records of all employee disciplinary actions and evaluate consistency of all enforcement.

### **Alcohol Use/Possession/Sale**

Campus policy and state law forbid unlawful manufacture, distribution, dispensing, possession, use, or sale of alcoholic beverages or controlled substances by employees and students in the workplace, on College premises, at official College functions, or on College business. Specific restrictions can be found in the following sources:

Student Handbook: Rights, Responsibilities, & Procedures

The Federal Drug Free Workplace Act of 1988 (Public Law 100-690, Title V, Sub D)

Drug Free Schools and Communities Acts of 1989

California State Drug Free Workplace Act of 1990

The Controlled Substances Act, 21 United States Code 812, and by regulations at 21, Code of Federal Regulations 1308.

Business and Professions Code Section 25608, Possession of any alcoholic beverage while on school grounds.

*Reference: Drug Free Schools and Communities Act Amendment, 1989; Federal Drug-Free Workplace Act, 1988*

Enforcement of alcohol laws on-campus is the primary responsibility of the YCCD Police Department. The campus has been designated “Drug Free” and only under certain circumstances is the consumption of alcohol permitted.

It is unlawful to sell, furnish, or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of this policy for anyone to consume or possess alcohol in any public or private area of campus without prior District approval. Organizations or groups violating alcohol or substance policies or laws may be subject to sanctions by the District.

Violators are subject to disciplinary action, criminal prosecution, fine, and imprisonment.

*See Administrative Policy 3560*

### **Drug Prevention Program**

The District shall be free from all illicit drugs and from the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees. The unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in all facilities under the control and use of the District. Any student or employee who violates this policy will be subject to disciplinary action consistent with local, state, or federal law pursuant to 34 C.F.R. Section 86.100, which may include referral to an appropriate rehabilitation program, suspension, demotion, expulsion, or dismissal.

For assistance with education and referrals, District staff is encouraged to use the employee assistance program and students are encouraged to utilize Student Health Services.

As a condition of employment, employees must notify the District within five (5) days of any conviction for violating a criminal drug statute while in the workplace. The District is required to inform any agencies that requires this drug-free policy within ten (10) days after receiving notice of a workplace drug conviction.

Violation of this policy will result in appropriate action up to and including termination of employment, expulsion, referral for prosecution, or as permitted by law, may require satisfactory participation in an alcohol or drug abuse assistance or rehabilitation program.

### **Health Risks**

Drug use can have a wide range short- and long-term, direct and indirect effects.

Short-term effects can range from changes in appetite, wakefulness, heart rate, blood pressure, heart attack, stroke, psychosis, overdose, and even death.

Long-term effects can include heart or lung disease, cancer, mental illness, HIV/AIDS, hepatitis, and others. Long-term drug use can also lead to addiction. Drug use can change how certain brain circuits work. These brain changes interfere with how people experience normal pleasures in life such as food and sex, their ability to control their stress level, their decision-making, their ability to learn and remember, etc. These changes make it much more difficult for someone to stop taking the drug even when it is having negative effects on their life and they want to quit.

Drug use can have indirect effects on both the people who are taking drugs and those around them. This can include affecting a person's nutrition, sleep, decision-making, risk for trauma, violence, injury, and communicable diseases. Other negative outcomes may be seen in education level, employment, housing, relationships, and criminal justice involvement. ## **SEXUAL ASSAULT POLICIES**

Sexual assault prevention, education, policy, and procedures are governed by the Yuba Community College District Campus Student Policy and Procedures Regarding Rape and Sexual Assault. This policy describes in detail prevention and education programs around the topic of sexual assault, as well as procedures for dealing with incidents after they have occurred. Any sexual assault or physical abuse, including, but not limited to, rape, as defined by California law, whether committed by an employee, student, or member of the public, occurring on District property, or on an off-campus site or facility maintained by the District, or on grounds or facilities maintained by a student organization, is a violation of District policies and regulations, and is subject to all applicable punishment, including criminal procedures and employee or student disciplinary procedures. (See also, AP 5500, Standards of Student Conduct.)

"Sexual assault" includes but is not limited to, rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, domestic violence, dating violence, and stalking. All students, faculty members, or staff members who allege they are the victims of a sexual assault on District property shall be provided with information regarding options and assistance available to them. Information shall be available from the Yuba Community College District Police Department, which shall maintain the identity and other information about alleged sexual assault victims as confidential unless and until the Yuba Community College District Police Department is authorized to release such information.

The Yuba Community College District is committed to creating and maintaining an environment in which all persons who participate in College programs and activities can work together in an atmosphere free of all forms of harassment, exploitation, or intimidation. The YCCD will take appropriate action to prevent, correct, and discipline behavior that is found to violate campus policy or regulations proscribing rape or sexual assault (hereafter in referred to as sexual assault).

### **Campus Procedures for Responding to Sexual Assault/ Reporting to Title IX Officer**

This section outlines the procedures the campus follows in responding to reports of sexual assault allegedly committed by students. It assumes that the incident occurred on or near campus (at an official College function or on College property). However, many of the procedures and services described here also apply if the incident happened off-campus or if the individual reporting the assault is not a student.

When an incident is reported to any unit providing sexual assault resources on campus, the person to whom the report is made shall inform the student of her or his option to notify local law enforcement authorities, including the Yuba Community College District Police Department. The student shall also be informed of the importance of preserving evidence required for proof of possible criminal activity, and of the availability of the institutional personnel to assist the student in notifying the authorities of the incident, upon the student's request. Finally, the student shall also be informed of the existing on and off campus counseling, mental health, and other student services as outlined below.

The campus provides confidential and trained assistance to individuals reporting a sexual assault. Primary assistance is given through Student Health Services. Student Health Services offers both immediate and ongoing response to students, including confidential crisis counseling, assistance, and advocacy with the initial medical evaluation, and academic and housing issues. Student Health Services also provides general medical care for students who report being sexually assaulted. Other services include treatment for injuries, testing for pregnancy, sexually transmitted disease, and HIV. However, the YCCD does not provide medical evidence collection. For this procedure, the patient would be referred to a community emergency room.

Off-campus resources include local physicians, hospitals such as Rideout Hospital (located in Marysville), and local law enforcement authorities, such as the Yuba County Sheriff's Department, Woodland Police Department and Clear Lake Police Department.

If the student is willing to report the incident to the Yuba Community College District Police Department, she or he is informed that medical evidence can be collected at the same time as medical care is provided. However, without a police report, medical evidence for a criminal prosecution cannot be collected. Under these circumstances, the student is informed that the state will bear the cost of the medical exam and is instructed not to bathe, shower, or douche so that important medical evidence can be preserved.

Although the student is not required to notify any law enforcement authority regarding the incident, the person to whom the report is made shall contact the Yuba Community College District Police Department to inform them that a sexual assault may have occurred. The YCCDPD in turn shall notify the Title IX Compliance Officer, who is responsible for coordinating the campus's response to the incident. Licensed mental health workers, who learn about sexual assault as part of their professional roles, are not required to violate confidentiality. Anonymous summary statistical information will be reported.

After the YCCDPD is contacted, a uniformed officer will be dispatched to initiate an investigation. The local law enforcement jurisdiction will be notified by the YCCDPD. With the consent of the student, a full police report will be taken by a police officer who accompanies the student to the hospital. At the request of the student, a friend, family member, or other designated person may be present. The officer will advise the student regarding hospital procedures and the availability of assistance through Student Health Services. The YCCDPD will assist the local law enforcement jurisdiction with the investigation and YCCDPD will explain the legal process to the student. The completed investigation shall present a completed written investigation to the District Attorney's Office for review and if/or further charges need to be filed.

If the student is unwilling to report the matter to the police or to be transported to the hospital by the police, she or he is then urged to seek assistance immediately from Student Health Services for coordination of medical care, counseling, and other available support alternatives. The student may request changes in her or his academic situation or in that of

an alleged assailant, after the student has made a report of an assault, and the campus shall grant any reasonable request for such change.

When a student reports being sexually assaulted by another student, the Vice-President of Academic and Student Services Office or Campus Dean, at the direction of the Title IX Compliance Officer, shall conduct a timely investigation of the allegations in the case and interview any witnesses as needed. The determination of whether to proceed with charges in a sexual assault case is the joint decision of the Vice-President of Academic and Student Services Office or Campus Dean and the Title IX Compliance Officer, in consultation as needed with the Police Department, with final authority residing with the Title IX Compliance Officer. When formal charges are brought against the accused student by the College, the case shall either go to a hearing for adjudication or an administrative disposition settlement agreement shall be negotiated.

The individual charged with sexual assault is entitled to due process and will be given notice and a full opportunity to respond to the allegation made against her or him. The individual can seek representation, may have the same opportunity as the student who reported being assaulted to have a non-participating observer present during the proceedings, and is entitled to information about the campus policy on rape and sexual assault and the procedures that will be followed. If the Vice-President of Academic and Student Services Office or Campus Dean imposes disciplinary sanctions, the student who reports being sexually assaulted is informed of the outcome, and the charged student may appeal the action as set forth in the Campus Code of Student Conduct.

When a student who reports being sexually assaulted files charges with the Yuba Community College District Police Department, the criminal investigation and the campus judicial investigation are coordinated but independently conducted, occurring simultaneously or sequentially, on a case-by-case basis.

Any sexual assault or physical abuse, including, but not limited to, rape, as defined by California law, whether committed by an employee, student, or member of the public, occurring on District property, or on an off-campus site or facility maintained by the District, or on grounds or facilities maintained by a student organization, is a violation of District policies and regulations, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. (See also, AP 5500, Standards of Student Conduct.)

Any victim of sexual assault should notify the District Police Department as soon as possible. The District Chief of Police shall provide all alleged victims of sexual assault with the following upon request:

- A copy of the District's policy and procedure regarding sexual assault;

- A list of District personnel who will be notified of the assault and procedures for such notification, if the alleged victim consents;

1. Chief Student Services Officer of the college/campus and the College Nurse if the victim is a student or a visitor.
2. The Director of Personnel Services and Human Resources Development, the Chief Student Services Officer of the college/campus, and the College Nurse if the victim is and employee.

- A description of available services, and the persons on campus available to provide those services if requested. Services, and those responsible for providing or arranging them, include:

1. Arrange for transportation to a hospital, if necessary;
2. Counseling or referral to a counseling center;
3. Notice to the police;
4. A list of other available District resources or appropriate off-campus resources.

7. The National Women's Health Information Center [www.womenshealth.gov](http://www.womenshealth.gov) (1-800-994-9662)

- A description of each of the following procedures (by Chief Student Services Officer of the college/campus if victim is a student, by Director of Personnel Services and Human Resources Development if victim is an employee and by Chief of Police if victim is a visitor):

1. Criminal prosecution;
2. Civil prosecution (i.e., lawsuit);
3. District disciplinary procedures, both student and employee;
4. Modification of class schedules;
5. Tutoring, if necessary.

All alleged victims of sexual assault on District property shall be kept informed, through the Chief Student Services Officer of the college/campus, if the victim is a student, Director of Personnel Services and Human Resources Development if the victim is an employee, or District Chief of Police if the victim is a visitor, of any ongoing investigation. Information shall include the status of any student or employee disciplinary proceedings or appeal; alleged victims of sexual assault are required to maintain any such information in confidence, unless the alleged assailant has waived rights to confidentiality.

The District shall maintain the identity of any alleged victim or witness of sexual assault on District property, as defined above, in confidence unless the alleged victim or witness specifically waives that right to confidentiality. All inquiries from reporters or other media representatives about alleged sexual assaults on District property shall be referred to the District's Chief Student Services Officer of the college/campus who shall work with the District Chief of Police to assure that all confidentiality rights are maintained.

Additionally, the Annual Security Report will include a statement regarding the District's programs to prevent sex offenses and procedures that should be followed after a sex offense occurs. The statement must include the following:

- A description of educational programs to promote the awareness of rape, acquaintance rape, and other sex offenses;
- Procedures to follow if a sex offense occurs, including who should be contacted, the importance of preserving evidence to prove a criminal offense, and to whom the alleged offense should be reported;
- Information on a student's option to notify appropriate law enforcement authorities, including on-campus and local police, and a statement that District personnel will assist the student in notifying these authorities, if the student so requests;
- Information for students about existing on- and off-campus counseling, mental health, or other student services for victims of sex offenses;
- Notice to students that the District will change a victim's academic situation after an alleged sex offense and of the options for those changes, if those changes are requested by the victim and are reasonably available;
- Procedures for District disciplinary action in cases of an alleged sex offense, including a clear statement that:
  1. The accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding.
  2. Both the accuser and the accused must be informed of the outcome of any institutional disciplinary proceeding resulting from an alleged sex offense. Compliance with this paragraph does not violate the Family Educational Rights and Privacy Act. For the purposes of this paragraph, the outcome of a disciplinary proceeding means the final determination with respect to the alleged sex offense and any sanction that is imposed against the accused.
  3. A description of the sanctions the District may impose following a final determination by a District disciplinary proceeding regarding rape, acquaintance rape, or other forcible or non-forcible sex offenses.

In the cases of violent crimes with potential threat to other students and employees, the District will provide timely notice to the District community in a manner that will aid in the prevention of similar occurrences.

**VAWA ( Domestic Violence, Dating Violence, Sexual Assault, Stalking)**

The Violence Against Women Act (VAWA) is a piece of legislation that was signed in 1994 that expanded the tools to combat violence against women and provide protection to women who had suffered violent abuses. This act has improved criminal justice and community-based responses to domestic violence, dating violence, sexual assault, and stalking in the United States. VAWA has helped change the landscape for victims who once suffered in silence.

Access to services for victims have increased along with better society awareness of these crimes. Law enforcement have been provided with better resources to investigate cases. Colleges have been given more tools to educate students about dating violence and sexual assault.

Every year more than 10 million men and women in the U.S. are subject to domestic violence. Domestic violence is a crime. Domestic violence laws also apply to dating violence and stalking. This form of violence affects all people no matter the race, nationality, language, culture, economics, sexual orientation, or religion. Verbal abuse, destruction of property, controlling behavior, jealousy, and isolation are all symptoms for domestic violence. If you believe you are a victim to domestic violence, dating violence, sexual assault, or stalking, contact YCCDPD, local law enforcement, and/or a local domestic violence program.

## **THE FEDERAL CAMPUS SEX CRIMES PREVENTION ACT**

The State of California requires sex offenders to register with the police in the jurisdiction in which they reside. The State makes this information available to law enforcement agencies. The information is available to the public at the local police department. State law (October, 2002) also requires sex offenders to register with the YCCDPD if they are working at the College (including contractors) or attend classes. The Family Educational Rights and Privacy Act (FERPA) was also amended to make it clear that FERPA does not prohibit release of data on registered sex offenders under this law.

Sex offenders are required to register with the YCCDPD the first five days of the semester they have registered for classes. The registration remains on file during consecutive course attendance, but are required to unregister if they are no longer going to be attending any of the educational sites.

Megan's Law allows the public to view information about "Serious" and "High Risk" sexual offenders that may be residing in their community. This enables the public to be aware of potential risks in their community. The public can then make informed decisions when taking safety precautions to protect themselves and their children from sex offenders. Visit the on-line sex offender registration web site: <http://meganslaw.ca.gov>.

## **CRIME STATISTICS**

Campus officials having responsibility for oversight of student activities, and relevant local agencies. Crime definitions are from the Uniform Crime Reporting (UCR) Handbook and sex offense definitions are from the National Incident Based Reporting System (NIBRS) edition of the Uniform Crime Reporting Program. For statistical purposes, crime statistics reported to any of these sources are recorded in the calendar year the crime was reported. A written request for statistical information is made on an annual basis to all YCCD Deans, Directors, and known Campus Security Authorities.

All of the statistics are gathered, compiled, and reported to the YCCD community via this report. This information is available at the Yuba Community College District website: <https://www.yccd.edu/central-services/campus-safety/jeanne-clery-report/>. The YCCD authorities submit the annual crime statistics published in this report to the United States Department of Education (DOE). The statistical information gathered by the United States Department of Education is available to the public through the DOE website: <https://ope.ed.gov/campussafety/>.

## **CRIME LOG**

Crime logs are kept at the YCCDPD for a full fiscal year. The crime log is available to the public on the YCCD website: <https://www.yccd.edu/central-services/campus-safety/public-crime-logs/>. The crime log may also be viewed during YCCDPD business hours; Monday-Friday 8:00AM- 4:00PM.
